

These first few days were great! We have been practicing our routines and working on our names. We are making new friends and learning their names.

We eat our lunch before snack so please place your snack in a **separate** container and place it in a pocket of the backpack. That way we will not eat it for lunch. :^)

I am sending home your child's blue folder every day. Please place **all** important notes and **money inside** of the folder. If you send in lunch money please place it in an envelope or baggie, label it by writing your child's name and my name on the front.

We have a classroom website and Facebook page. The website has a lot of helpful information and on the last page you will be able to access age appropriate games. Find us at <http://mrsbernsteinskindergarten.weebly.com/>. I will be posting many fun pictures of classroom activities to our Facebook page. Please take a look. To find our facebook page you can search the **group** tab for Mrs. Bernstein's Kindergarten.

If you are interested in volunteering in our classroom, please send in the attached volunteer form as soon as possible. Remember... if you plan to volunteer you **must** have background check completed in the office **before you are able to attend classroom functions**.

Background checks must also be completed if you are planning on attending any holiday parties and/or field trips.

As you prepare for the cold weather... it will be here before we know it. Please keep in mind that we like to encourage independence as much as possible. While shopping have your child try on the boots, shoes, coats, etc. before you purchase them. Can they put these items on by themselves? They will be getting ready for lunch recess by themselves and they need to be able to dress independently.

#### **Reminders~**

~Go to Remind and sign up, my code is 81010 (see attached instructions).

~Remind is an easy way for me to send a group text for reminders, ex; picture day, field trip etc. This is not a way to communicate with me. Please use my email to message me.

~Check out my web page, <http://mrsbernsteinskindergarten.weebly.com>. You can access various links like the lunch menu, classroom notes, and kindergarten appropriate games.

Leissa Bernstein
